

# One flew over the Magpies Nest – Notts County Football Club

Paul Mace in conversation with Colin Slater

Saturday 25<sup>th</sup> February 10.30am

Notts County is a club rich on history but short on publications of the printed word. Lifelong Notts fan Paul Mace redresses that imbalance in *One Flew Over the Magpies Nest* by taking the reader behind-the-scenes at Meadow Lane on a journey spanning all four divisions and six decades.

All welcome: come and join us for what will be a fascinating conversation about the heritage and history of the oldest club in the football league.
