

Bromley House Library Annual Gift Membership Information for the gift giver

Thank you for enquiring about a one-year Bromley House Library Gift Membership.

To join Bromley House Library the **prospective member** will need to complete and sign an application form **prior** to the start of the membership.

Additionally, the applicant will be asked to provide original photo identification and proof of address. However, this can be done on their first visit after the membership application has been processed, but it is a requirement to enable their membership to be activated. Further details of acceptable forms of identification are shown on the application form. For Joint Memberships only the first named member needs to provide identification. For a Young Person's Membership proof of the applicant's date of birth is also required, if not already evident from the identification supplied.

The cost of the gift covers a 12 month library membership, and **we enrol new members on the first working day of the month** following receipt of the application form.

The membership application should be received by Bromley House Library within 12 months from the date of purchase.
